

It's unbelievable.  
Could it be that  
the Demon Realm  
has encroached  
upon the South?

Coming here alone  
was reckless.

Indeed. If that  
crafty bastard had  
been here, the job  
wouldn't have been  
botched like this.  
Well, thanks to  
you, we've bought  
some time.

어이가  
없군.

설마 남부에  
마계가  
진입한 건가...

캐빈 애슈턴이  
준비해 놓은 힘,

두렵지만  
지나치게  
매력적이다.

I just slash  
through.

역시 검술은  
한 수 위인가.

Perhaps emotional  
senses are a step  
ahead.  
It was greedy of  
me to just want to  
win with  
swordsmanship.

검술로만  
이기려 했던 건  
욕심이었군.
